

Zero

Otep

I don't give a fuck!
You taught me to fear,
But all I learned was hate!
You want me to disappear,
But I won't go away!
I won't go away!
I won't obey! You want me to save your world,
While your lungs get black,
And the oceans boil,
And you feed and breed this kingdom of shit.
Bulletproof from the truth,
Armor plated ignorance.
I can't abide fakes and frauds,
Infecting my life.
I'm losing my mind!
I'm losing my mind!
But I don't give a fuck!
I don't give a fuck! I don't give a fuck, fuck, fuck,
Zero fucks!
I don't give a fuck! Come down off your cross.
I don't care what it costs.
I don't give a The world is slowly dying,
And all you do is whine,
About the things you can't buy,
With money you don't have.
So you'll sell your soul,
To get the latest fad,
The virus of more,
Poor little drama whore.
You're fucked in the head!
Mental glory infected with excess.
To let the insects know you exist,
You'll stab me in the back,
And wipe the blade on my chest. But I don't give a fuck!
I don't give a fuck I don't give a fuck, fuck, fuck,
Zero fucks
I don't give a fuck! Come down off your cross,
I don't care what it costs.
I don't give a The house is a disaster.

The care won't start.
I want to pick a fight,
But it's just too hard.
I've got no motivation.
I should just give up.
They say I'll burn in hell,
But I still don't give a fuck!
I don't give a fuck!
I don't give a fuck!
Judge me how I'm living,
Zero fucks given.
Judge me how I'm living,
Zero fucks given.
Judge me how I'm living,
Zero fucks given.
Judge me how I'm living,
Zero fucks given.
Zero fucks given.
Zero fucks given.
Judge me how I'm living,
Zero fucks given. I don't give a fuck, fuck, fuck,
Zero fucks.
I don't give a fuck.
I don't give a fuck.
Not a single fuck.
I don't give a fuck.
I don't give a fuck.
I don't give a fuck.
I don't give a fuck.
I don't give a fuck!
