Dangerous

Kardinal Offishall

Girl, I can notice but to, notice you, noticing me
From across the room I can see it and can't stop myself
From looking and noticing you, noticing me
Watch out, I've seen her type beforeThat girl is so dangerous, that girl is so dangerous
That girl is a bad girl, I've seen her type before
She's so dangerous, that girl is so dangerous
That girl is a bad girl, yeahOh yeah, thats her
The big dog tryin to get her little kitty to purr
Ex-man lookin at me like I'm Lucifer
Cause he knows I will deal with the case, yes sir!If I was the last man I earth
I would only take that girl, end of search
She give a new definition to the word curve
Got chicks in the strip club envying herBody's like weapons of mass eruptions
See the glad on that phat obstruction
Tongue game give her new type of seduction
Im trying to give that girl something, cha!Girl, I can notice but to, notice you, noticing me
From across the room I can see it and can't stop myself
From looking and noticing you, noticing me
Watch out, I've seen her type beforeThat girl is so dangerous, that girl is so dangerous
That girl is a bad girl, I've seen her type before
She's so dangerous, that girl is so dangerous
That girl is a bad girl, yeahOh, bad to the bone
Everything locked like a two three zone
I wanted to make my black snake moan
Talk a little bit then take that homeShe bad and she know the deal
Thats what I cant hide when she want to conceal
I mean, Meagan Good and Halle Berry
Put together in close to the jubee I seeNo no! No disrespect
But this gyal a pon another level, cut the check, uh!
Tell king, max stop the press
Say kid, can I get a witness?Girl, I can notice but to, notice you, noticing me
From across the room I can see it and can't stop myself
From looking and noticing you, noticing me
Watch out, I've seen her type beforeThat girl is so dangerous, that girl is so dangerous
That girl is a bad girl, I've seen her type before
She's so dangerous, that girl is so dangerous
That girl is a bad girl, yeahI see you got that fire by the way that you walkin
From left to right I watched her go down
Girl, I just want it right now, dont wanna do no talkin

Shortys so right, I need to slow downFigure 8, good body shape
When she on the dance floor, gyal Im irate
When she do her thing man cant walk straight
That biscuit fi soak up everything on every plateMad heels like Jessica P
Im tryna give homegirl sex and the cit-t-ty
Itty-bitty waistline, moves with the baseline
One lick of punch, Im fine, cha!Girl, I can notice but to, notice you, noticing me
From across the room I can see it and can't stop myself
From looking and noticing you, noticing me
Watch out I've seen her type beforeThat girl is so dangerous, that girl is so dangerous
That girl is a bad girl, I've seen her type before
She's so dangerous, that girl is so dangerous
That girl is a bad girl, yeah
