

Turn You On

Mi Casa

[Verse 1:] Getting to know you girl, getting to know your world

Exploring your every curve, learning the lines you serving

Can you let me in to your space

I promise that I won't touch, I won't taste For now, now

Respecting your every move, choosing what not to do

'Cause I know your real worth girl and truly value you, yeah Oh

(I just wanna turn you on girl) mmmh

Said I just wanna turn you on

(I just wanna turn you on girl) yeah

I just wanna, I just wanna, I just wanna

Turn you on

Oh [Chorus:] I just wanna turn you on

(I just wanna turn you on baby)

I just wanna turn you on

(I just wanna turn you on baby) [Verse 2:] My interest is only you and everything you do

Yeah, I wanna give it a shot and see what we could do Yeah, yeah, yeah, yeah

Stretch out your trust and let me in

Lemme prove to you baby, that a real man

still exists yeyeyeye yeah yeah I wanna turn you on

Yeah, yeah Now [Bridge:] (What makes you tick talk?)

(What makes you fall in-love?)

(What makes you wake up?)

I wanna know how to turn you on

(What makes you laugh a lot?)

(What do you look for?)

(What do you not like?) I wanna know, oh [Chorus:] I just wanna turn you on

(I just wanna turn you on baby)

I wanna turn you on

(I just wanna turn you on baby)

I wanna turn you on

(I just wanna turn you on baby)

I wanna turn you on

(I just wanna turn you on baby) I just wanna, I just wanna, I just wanna turn you on I just wanna, I just wanna, I just wanna turn you on
