# Let It Grow

## Ceumar

Let it grow let it blow let it grow
Let it go let it grow let it growI like to watch it grow so sweat
I like to watch the growing of the meat
I like to watch it grow so slow
I like to watch it when it growsLet it grow let it blow let it grow
Let it go let it grow let it growI like to watch it grow so fast
I like to pick up in aghast
I like to watch it grow so slow
I like to watch when it growsLet it grow ooh yeah
Ooh yeah embryo embryo embryo
