

# Summer Of Love

## The Lost Trailers

She was standin' there with her big, blue, question-mark eyes  
Sayin', Would you stay the night and me, I was just seventeen, my very first time  
But I knew it was right, she pulled off my baseball hat  
We kissed and I knew there was no lookin' back By the end of May, I could feel the change  
She pulled me close to say I want a summer of misbehavin', out all night, no reservations  
Hittin' that river, strippin' down till the sun comes up  
Oh, I want a summer of love June flew by, before we knew it, it was the 4th of July  
So we headed to the Tennessee line  
Bought a hundred bottle rockets, shot em up in the sky  
And they lit up the night like risin' stars that burn to dust  
And I said, baby, that's just like us Someone set us up, lit the fuse  
Two young lovers with nothing to lose But a summer of misbehavin', out all night, no reservations  
Hittin' that river, strippin' down till the sun comes up  
Oh, I want a summer of love No matter what happens, well have today  
And Ill always, pretty baby, wanna feel this way I want a summer of misbehavin', out all night, no reservations  
Hittin' that river, strippin' down till the sun comes up  
Oh, I want a summer of love Na, na, na, out all night, hittin' that river, strippin' down till the sun comes up  
Like risin' stars, poppin' and burnin' to dust, yeah, that was us
