Gonna Get Along Without You Now

She & Him

Uh huh hm hm
Gonna get along without you now
Uh huh hm hm
Gonna get along without you now

You told me I was the neatest thing
You even asked me to wear your ring
You ran around with every girl in town
You didn't even care if it got me down

Uh huh hm hm
Gonna get along without you now
Uh huh hm hm
Gonna get along without you now

You told everybody that we were friends
But this is where our friendship ends
Because all of a sudden you changed your tune
You haven't been around since way last June

Uh huh hm hm
Gonna get along without you now
Uh huh hm hm
Gonna get along without you now

So long my honey goodbye my dear

Uh huh hm hm
Gonna get along without you now
Uh huh hm hm
Gonna get along without you now

You told everybody that we were friends
But this is where our friendship ends
Because all of a sudden you changed your tune
You haven't been around since way last June

Uh huh hm hm
Gonna get along without you now
Uh huh hm hm

Gonna get along without you now

So long my honey goodbye my dear
