The Other Side Of Down

David Archuleta

Down, Down, Down, Down, Down, Down, (Down, Down)
Here I am with all these questions hanging from my ceiling low
One by one they all keep telling me I told you so
Everywhere I turn I see red lights flashing over my head
Oh no, oh no, oh no
Mm-mm
In a whirl-wind spinning, yeah somehow it knocked me off my feet
But I know better than to let it get the best of me,
I could give up, I could stay stuck, I could move on
So I put one foot front of the other,
No, no, no, nothing's gonna break my stride,
I keep climbing, gonna keep fighting until I make it to the other side of down-own
Down-own, Down-whoa-oh-ow-own
(Down, Down, Down-ah-own)
In the sky, I'm standing under all I see is endless rain
I think I spot a silver lining hiding in the gray
I might get tossed around, but I'm always bouncing back
Oh, oh, oh
I could give up, I could stay stuck, or I could move on,
So I put one foot front of the other,

No, no, no, nothing's gonna break my stride,
I keep climbing, gonna keep fighting until I make it to the other side of down-own
Down-own, Down-whoa-ah-ow-own
Down-own, Down-own, Down-whoa-ah-ow-own
On the other side of down
It keeps calling me
Where I wanna be
On the other side of down
It keeps calling me
Where I wanna be
Where I wanna be
Ohhh, I put one foot front of the other,
No, no, no, nothing's gonna break my stride,
I keep climbing, gonna keep fighting until I make it to the other side of down-own
Down-own, Down-whoa-ah-ow-own
Down-own, Down-own, Down-whoa-ah-ow-own
Ohh, Down, Down
Whoa, Whoa

Ohh, Down, Down
The other side of down, down
Other side of down-ah-uh-own
Ohh, yeah, yeah, yeah, yeah
