

# The Other Side Of Down

David Archuleta

Down, Down, Down, Down, Down, Down, (Down, Down)  
Here I am with all these questions hanging from my ceiling low  
One by one they all keep telling me I told you so  
Everywhere I turn I see red lights flashing over my head  
Oh no, oh no, oh no  
Mm-mm  
In a whirl-wind spinning, yeah somehow it knocked me off my feet  
But I know better than to let it get the best of me,  
I could give up, I could stay stuck, I could move on  
So I put one foot front of the other,  
No, no, no, nothing's gonna break my stride,  
I keep climbing, gonna keep fighting until I make it to the other side of down-own  
Down-own, Down-whoa-oh-ow-own  
(Down, Down, Down-ah-own)  
In the sky, I'm standing under all I see is endless rain  
I think I spot a silver lining hiding in the gray  
I might get tossed around, but I'm always bouncing back  
Oh, oh, oh  
I could give up, I could stay stuck, or I could move on,  
So I put one foot front of the other,  
  
No, no, no, nothing's gonna break my stride,  
I keep climbing, gonna keep fighting until I make it to the other side of down-own  
Down-own, Down-whoa-ah-ow-own  
Down-own, Down-own, Down-whoa-ah-ow-own  
On the other side of down  
It keeps calling me  
Where I wanna be  
On the other side of down  
It keeps calling me  
Where I wanna be  
Where I wanna be  
Ohhh, I put one foot front of the other,  
No, no, no, nothing's gonna break my stride,  
I keep climbing, gonna keep fighting until I make it to the other side of down-own  
Down-own, Down-whoa-ah-ow-own  
Down-own, Down-own, Down-whoa-ah-ow-own  
Ohh, Down, Down  
Whoa, Whoa

Ohh, Down, Down  
The other side of down, down  
Other side of down-ah-uh-own  
Ohh, yeah, yeah, yeah, yeah
