Oh Woman Oh Man

London Grammar

I can see that you're giving up
It should not mean that much to me
And I don't know where the rest go
But everybody's been telling me noBut I'll always have a thing for you
I'd move the earth
But nothing made you want me better
There is nothing I can do
But steal the moon
But nothing made you want me betterOh woman, oh oh oh man
Choose a path for a child
Great mirrored plans
Oh woman, oh oh oh man
Take a devil by the hands through
Yellow sands
And I can see that you're giving up
So tell me it should not mean this much to me
And I don't know where the rest go
Everybody's been telling me noBut I'll always have a thing for you
I'd move the earth
But nothing made you want me better
There is nothing I can do
But steal the moon
And nothing made you want me betterOh woman, oh oh oh man
Choose a path for a child
Great mirrored plans
Oh woman, oh oh oh man
Take a devil by the hands through
Yellow sands
Woman choose your man
A man who understands (Ooh)
Do you really understand? (Ooh)
Do you really understand?
Do you really understand?Oh woman, oh oh oh man
Choose a path for a child
Great mirrored plans
Oh woman, oh oh oh man
Take a devil by the hands through
Yellow sands(Oh woman, oh oh oh man)Woman choose your man
A man who understands (Ooh)

Do you really understand? (Ooh)
Do you really understand?
