Try To Find Me

by Graham Nash

from the CSN - Acoustic Concert (Video) I'm In Here, With A Lonely Light, But Maybe You Can See Me.

Oh, And I'm In Here, With My Mind On Fire.

Do Your Best And Try To Find Me.

Under Me, There's A Lovely Light That Screams For A Little Daylight.

Oh, And Through My Eyes, I Can See For Sure

That My Soul Shines On. So Try To Find Me.

`Cause I'm Trapped In The Web Of A Dark Night.

Won't You Please Be My Bridge Into Daylight?

When I Know I Am Loved, I Am All Right. So Try To Find Me.

So Try To Find Me.

`Cause I'm Trapped In The Web Of A Dark Night.

Won't You Please Be My Bridge Into Daylight?

When I Know I Am Loved, I Am All Right. So Try To Find Me.

Oh, Hear My Heart. It's The Same As Yours,

But It Beats With A Distant Thunder. Oh And I'm Still In Here

With My Heart So Pure. I Can Say No More.

But Won't You Unlock My Door,

And Try To Find Me.
