Sad Lisa

Marianne Faithfull

She hangs her head and cries on my shirt
She must be hurt very badly
Tell me what's making you sad, Li?Open your door, don't hide in the dark
You're lost in the dark, you can trust me
'Cause you know that's how it must beLisa, Lisa, sad Lisa, LisaHer eyes like windows trickle in rain
Upon the pain getting deeper
Though my love wants to relieve herShe walks alone from wall to wall
Lost in her hall she can't hear me
Though I know she likes to be near meLisa, Lisa, sad Lisa, LisaShe sits in her corner by the door
There must be more I can tell her
If she really wants me to help herI'll do what I can to show her the way
And maybe one day I will free her
Though I know no one can see herLisa, Lisa, sad Lisa, Lisa
