

# Sad Lisa

## Marianne Faithfull

She hangs her head and cries on my shirt  
She must be hurt very badly  
Tell me what's making you sad, Li? Open your door, don't hide in the dark  
You're lost in the dark, you can trust me  
'Cause you know that's how it must be Lisa, Lisa, sad Lisa, Lisa Her eyes like windows trickle in rain  
Upon the pain getting deeper  
Though my love wants to relieve her She walks alone from wall to wall  
Lost in her hall she can't hear me  
Though I know she likes to be near me Lisa, Lisa, sad Lisa, Lisa She sits in her corner by the door  
There must be more I can tell her  
If she really wants me to help her I'll do what I can to show her the way  
And maybe one day I will free her  
Though I know no one can see her Lisa, Lisa, sad Lisa, Lisa
