

You're gonna die  
You're gonna die  
Time time time time  
Time time time time  
Time time time time  
Even though there's just one left  
I feel my bones becoming stiff  
And now I wander endlessly  
The spirits have abandoned me  
My limbs are falling piece by piece  
My ears and fingers in the street  
But still you see no morning sun  
And here's my victim's early run  
Quickly grab him from behind  
Round his neck with fishing twine  
Keep him still and pull the string  
Watch his head go bobbling  
Listen to my riddle song  
Even though my crime was wrong  
Murder me just for your law  
And I'll be back for all of y'all  
You're gonna die  
You're gonna die  
You're gonna die  
You're gonna die  
You're gonna die  
You're gonna die  
And I'll be back for all a y'all
