

Shackles

Tyler Bryant & The Shakedown

I hear Shackles
Coming through the door
I hear Shackles
Draggin cross the floor
Iâ€™m in the kitchen
But I aint gonna run
Lookout Shackles
I got a guns
I got a fun

I hear Shackles
Creepin down the halls (Halls, Halls, Halls)
I hear Shackles
Rattling the walls (Walls, Walls, Walls)
Well I lay here
No I donâ€™t make a peep, no
Good luck Shackles
Latching on to me
Latching on to me

Cause Iâ€™m a bad, bad, bad, bad man
Well Iâ€™m a bad, bad, bad, bad man

I hate those Shackles
Gonna kill em off tonight
Gonna cut those Shackles
Gonna cut em with my knife
Well itâ€™s time, time to say goodbye
Cause tonight Shackles
Youâ€™re gonna die
