

# Johnny Went to the War (feat. Mark Patrick)

## Paddy Goes To Holyhead

They'll send him to the war-inspector  
I'll be back tomorrow said he  
when I will return again  
we'll go to Mexico  
they sent you to the war-inspector  
I have missed you Johnny said she  
great to know you by my side  
I'll never let you go  
They'll send him to the regiment  
I'll be back tomorrow said he  
when I will return again  
we'll got to Mexico  
they sent you to the regiment  
I have missed you Johnny said she  
great to know you by my side  
I'll never let you go  
They'll send him to the battlefield  
I'll be back tomorrow said he  
when I will return again  
you'll never let me go  
they sent you to the battlefield  
I have missed you Johnny said she  
great to know you by my side  
in your graveyard down below  
In the name of freedom  
where murdering cannons roar  
excellent diversion  
Johnny-boy went to the war
