

# I'm In Love

Alexander Rybak

no matter what they say now I'm in love  
i do it my way cause i'm in love  
and i can't keep that song out of my mind  
playing that silly tune all the time  
I'm In Love  
no matter what they say i dont care  
i do it anyway anywhere  
i found this little song on my own  
she said that i'm a genius i'm in love  
my friends say that i'm crazy i'm just fine  
my neighbours stare at me never mind  
cause only tell the sweetness of a smile  
my supersided girl i'm in love  
no matter what they say now I'm in love  
i do it my way cause i'm in love  
and i can't keep that song out of my mind  
playing that silly tune all the time  
I'm In Love  
no matter what they say i dont care  
i do it anyway anywhere  
i found this little song on my own  
she said that i'm a genius i'm in love  
my friends say that i'm crazy i'm just fine  
my neighbours stare at me never mind  
cause only tell the sweetness of a smile  
my supersided girl i'm in love  
no matter what they say now I'm in love  
i do it my way cause i'm in love  
and i can't keep that song out of my mind  
playing that silly tune all the time  
I'm In Love  
my friends say that i'm crazy i'm just fine  
my neighbours stare at me never mind  
cause only tell the sweetness of a smile  
my supersided girl i'm in love  
no matter what they say now I'm in love  
i do it my way cause i'm in love  
and i can't keep that song out of my mind  
playing that silly tune all the time  
I'm In Love  
I'm In Love  
I'm In Love
