Name of the Game

The Crystal Method

Listen all you mutha fuckas
That's the name of the gameYo
Top of the crown
Rape the queen
The fatal mistake in your cradle
Can't shake the dreams of
Fire inside of your phonograph
Battered with gas
And give you room to breathe
Through an adequate mask
Everybody in front
Let me see ya pumpin' ya fists
If you up in the back room
When you rockin' with this
Come on
Keepin' ya speaker knockin'
Jumpin' bangin' bumpin' blazin'
Hot
Callin' all freaks (all freaks)
Callin' all freaks now
Yo yo
Callin' all freaks (all freaks)
Callin' all freaks nowThat's right
Callin' all freaksGet em up in the back room
Get em up in the back room
I said get em up in the back roomMutha fucka
Callin' all
