

# Who's Loving You? (feat. Anastacia)

## Auryn

Baby I know it all too well 'bout the games that  
We play in love  
Let me tell you that you took it too far when you  
Turned my heart to dust  
Now I know that I ain't been perfect  
But you leave and I don't deserve it  
That's suicidal make a man go maniacal but this  
Is what you wanted, ha?  
Cause I would've died for you  
Told and lied for you  
Here's what I need you to do  
Tell me who is loving you, like I used to do  
Nobody nobody nobody  
Nobody nobody nobody  
Who is loving you, like I used to do  
Nobody nobody nobody  
Nobody nobody nobody  
Now anything else you tell me  
Is irrelevant so tell me what I wanna know  
Knife threw the heart and I've got the evidence  
That baby girl it's killing me slow  
Now I know that you ain't been perfect  
I still told you you were worth it  
So tell me how I feel to walk away from  
Something real I guess you really never know  
Cause I would've died for you  
Told and lied for you  
Here's what I need you to do  
Tell me who is loving you, like I used to do  
Nobody nobody nobody  
Nobody nobody nobody  
Who is loving you, like I used to do  
Nobody nobody nobody  
Nobody nobody nobody  
Who, who is loving you? Is loving you?  
Tell me who, who is loving you? Is loving you?  
Who is loving you, like I used to do  
Nobody nobody nobody  
Nobody nobody nobody

Who is loving you, like I used to do  
    Nobody nobody nobody  
    Nobody nobody nobody  
Tell me who is loving you, like I used to do  
    Nobody nobody nobody  
    Nobody nobody nobody  
Who is loving you, like I used to do  
    Nobody nobody nobody  
    Nobody nobody nobody  
Who, who is loving you? Is loving you?  
Who, who is loving you? Is loving you?
