Dont Go

Yazoo

Came in from the city walked into the door
I turned around when I heard the sound of footsteps on the floor
Love just like addiction now I'm hooked on you
I need some time to get it right your love gonna see me throughCan't stop now don't you know
I ain't never gonna let you go, don't goBaby make your mind, up give me what you got
Fix me with your lovin', shut the door and turn the lock
Hey go get the doctor, doctor came to late
Another night, I feel alright my love for you can't waitCan't stop now don't you know
I ain't never gonna let you go, don't goCame in from the city walked into the door
I turned around when I heard the sound of footsteps on the floor
Said he was a killer, now I know it's true
I'm dead when you walk out the door, hey babe I'm hooked on youCan't stop now don't you know
I ain't never gonna let you go, don't go
