

Sweet Alibi

Hear'Say

You got your voodoo workin' On A Policy
6 Months Down With A Guarantee
And You don't need money in the First Degree
But You're Never Even Gonna Be A Wannabe
Well you can catch me liggin' in a dissaray
Stretched out lying for my resume
And I'll be back for another day
But you can bet your bottom buck I'm gonna have my way So Why Oh Why We Always Stay Together
Why I guess It Was Always Meant To Be
You Give Me That Sweet Alibi (Gimme That)
Whenever You Are Fallin' Ooh
Your Sweet Aln' By You got your boom boom box in your cherokee
Got your Hard Drive talkin' to your PHD
And when you're lucked out liggin' on your liberty
Gonna bet ya bottom buck you're coming home to me
Two tone knickers and my herrin bine
Call my baby on the megaphone
With my DV runnin' gonna bump and groan
Whatever road you take got your way back home So Why Oh Why We Always Stay Together
Why I guess It Was Always Meant To Be
You Give Me That Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Fallin' Ooh
Your Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Callin' By If I make a rule you break it
It takes two, you know,
Two of us to make it
Heaven knows I try to take it
You give me all of that and that's a fact
'cause you keep callin' by Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Fallin' Ooh
Your Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Callin' By Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Fallin' Ooh
Your Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Callin' By Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Fallin' Ooh
Your Sweet Alibi (Gimme That, Gimme That)
Whenever You Are Callin' By
