

Never Gonna Fall in Love Again

Snow Patrol

Something snapped me out of a dream that I was having
I'd fallen down an elevator shaft but now I'm back again
Tidying up after the fight we had
(Never gonna fall in love again, never gonna fall in love again) Happy with yourself?
Well, you've never looked so satisfied
Teasing me with stuff like a spoilt little brother You finished yet?
(Never gonna fall in love again)
Have you got what you really want?
(Never gonna fall in love again) Never gonna fall in love again
Never gonna fall in love again
Never gonna fall in love again
