Hot and Cold

Ex Hex

So hot so cold
So young so old
You look at me with snakelike eyes
I cannot see through your disguise

Weâ€™re parallel
I can tell
Youâ€™re acting like the foolish kind
Keep trying to talk to me through your mind

I want you more the more I know
The lines that cross and the dots that goâ€¦

So hot so cold
So young so old
Youâ€™re acting like the foolish kind
Keep trying to talk to me through your mind
So hot so coldâ€¦
