

# Hold Me Down

LMNT

I've been thinking about you talking about you  
Baby what you do to me  
I can't deny it, try to hide, i really find it hard to sleep

Money can't buy me love  
If it could I would spend it all  
All that glitters ain't gold  
Don't believe everything your told no no no

[Chorus]  
Cause we could dance dance dance all night  
I want to see your hands high  
And if you feel me let me know oh oh  
Cause we could dance dance dance all night  
I want to see your hands high  
We turn a bank into a crowd  
Hold me down  
Down, down oh hold me down

I've been waiting for it  
Breathing of it  
Now I want it to be real, again  
Ready for you steady for you baby here we go again

Money can't buy me love  
If it could I would spend it all  
All that glitters ain't gold  
Don't believe everything your told no no no

[Chorus]

[Repeat: x2]  
Everybody at the front say what  
Everybody at the side say what  
Everybody in the back of the club ride with me ride with me

Money can't buy me love  
If it could I would spend it all  
All that glitters ain't gold

Don't believe everything your told no no no

[Chorus: x2]

[Repeat]

Baby hold me down, down down
