

Dark Blue (Live from Del Ray Beach)

Jack's Mannequin

I have
I have you breathing down my neck
Breathing down my neck
I don't, don't know
What you could possibly expect
Under this condition-so
I'll wait, I'll wait
For the ambulance to come
Ambulance to come
Pick us up off the floor
What did you possibly expect
Under this condition, so
Slow down
This night's a perfect shade of Dark blue, dark blue
Have you ever been alone in a crowded room?
When I'm here with you
I said the world could be burning, burning down
Dark blue, dark blue
Have you ever been alone in a crowded room?
Well I'm here with you
I said the world could be burning
'Til there's nothing but
Dark blue, dark blue This flood
This flood is slowly rising up
Swallowing the ground
Beneath my feet
Tell me how anybody thinks
Under this condition
So I'll swim I'll swim
As the water rises up
Sun is sinking down
And now all I can see
Are the planets in a row
Suggesting it's best that I
Slow down
This night's a perfect shade of Dark blue, dark blue
Have you ever been alone in a crowded room?
When I'm here with you
I said the world could be burning, burning down

Dark blue, dark blue
Have you ever been alone in a crowded room?
Well I'm here with you
I said the world could be burning
Dark blueWe were boxing
We were boxing the stars
We were boxing
You were swinging for mars
And then the water reached the west coast
And took the power lines, the power lines
And it was me and you
And the whole town under water
There was nothing we could doIt was dark blueDark blue, dark blue
Have you ever been alone in a crowded room?
When I'm here with you
I said the world could be burning, burning down
Dark blue
Have you ever been alone in a crowded room?
Well I'm here with you
I said the world could be burning
Now there's nothing but
Dark blueIf you've ever been alone
You'll know
Dark Blue
If you've ever been alone
You'll know
You'll know
