Remember December

Luxury Grooves

I feel a separation coming on
'Cause I know you want to be moving on
I wish it would snow tonight
You'd pull me in, avoid a fight
'Cause I feel a separation coming on
Just prove that there is nothing left to try
'Cause the truth I'd rather we just both deny
You kissed me with those open eyes
It says so much, it's no surprise to you
But I've got something left inside
Don't surrender, surrender, surrender
Please remember, remember December
We were so in love back then
Now you're listening to what they say, don't go that way
Remember, remember December
Please remember, don't surrender
You said you wouldn't let them change your mind
'Cause when we're together, fire melts the ice
Our hearts are both on overdrive

Come with me, let's run tonight
Don't let these memories get left behind
Don't surrender, surrender, surrender
Please remember, remember December
We were so in love back then
Now you're listening to what they say, don't go that way
Remember, remember December
Please remember
I remember us together with a promise of forever
We can do this, fight the pressure
Please remember December
Don't surrender, surrender, surrender
Please remember, remember December
We were so in love back then
Now you're listening to what they say, don't go that way
Remember, remember December
Please remember, don't surrender
