Be Like That

Group Home

Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we ever been
Be like that
Stop
Been feelin' these feelin's since we've been ruled, I won't lie
Caught up and could as and should as bled all of my pride
Keep bumpin' heads in the moment be there, I won't blush
Can't keep this secret much longer when it's you that I want
Can't keep my eyes off ya, can't keep my mind off ya
I can't keep this love all to myself
Can this be right? Can it be all night?
Tell me what you wanna do? 'Cuz I'm tryina to get with you
Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we've ever been
Be like that
Stop the shiness, the frontin', it's all about lovin' you
Be like that
Why can't we, you and me, be like that
You act like you don't know
What's goin' on
Thinkin' of the girl could be it 'cuz that's where you're wrong
It's me, it's me
Oh, it's always been me
I've been feelin' you from the door
I just want us to be more
Can't keep my eyes off ya, can't keep my mind off ya
I can't keep this love all to myself
Can this be right? Can it be all night?
Tell me what you wanna do? 'Cuz I'm tryin to get with you
Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we've ever been
Be like that

Stop the shiness, the frontin', it's all about lovin' you

Be like that
Why can't we, you and me, be like that
Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we've ever been
Be like that
Stop the shiness, the frontin', it's all about lovin' you
Be like that
Why can't we, you and me, be like that
Baby you're wrong, for comin' on so strong
But the love we had is friends that really grow
Everything I could want you to bring to my life
Happiness, peacefulness, joyfulness
Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we've ever been
Be like that
Stop the shiness, the frontin', it's all about lovin' you
Be like that
Why can't we, you and me, be like that
Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we've ever been
Be like that
Stop the shiness, the frontin', it's all about lovin' you
Be like that
Why can't we, you and me, be like that
Be like that
Why can't we, you and me, we just
Be like that
More than friends, more than we've ever been
Be like that
Stop the shiness, the frontin', it's all about lovin' you
Be like that
Why can't we, you and me, be like that
