(Nothing Is Everything) Let's See Action

Pete Townshend

Advisory - the following lyrics contain explicit language:

Let's see action

Let's see people

Let's see freedom

Let's see who cares

Take me with you

When you leave me

And my shell

Behind us thereI have learned it

Known who burned me

Avatar has warmed my feet

Take me with you

Let me see you

Time and life can meetRumor has it

Minds are open

Then you must fill them up with lies

Future passing

Nothing lasting

I try to scream, 'cause nothing dies] Nothing is, everything

Everything is, nothing is

Please the people

Audiences

Break the fences, nothing isLet's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who caresLet's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who cares(GUITAR SOLO)Let's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who caresGive me a drink, boy

Wash my feet

I'm so tired of running

From my own heat

Take this package

And here's what you do

Gotta get this

Information throughI don't know where I'm going

I don't know what I need

But I'll get to where I'm gonna end up

And that's alright by meI've been running from side to side

Now I know for sure, that both sides lied

It's got so hard, but we gotta keep trying

I can't stand to see my people cryingI don't know where I'm going

I don't know what I need

But I'll get to where I'm gonna end up

And that's alright by meBa ba ba etcI don't know where I'm going

I don't know what I need

But I'll get to where I'm gonna end up

And that's alright by meLet's see action

Let's see people

Let's see freedom

In the air

Let's see action

Let's see people

Let's be free

Let's see who caresNothing is, everything

Everything is, nothing
