

# All At Sea (demo)

## The Libertines

I know I don't know you  
Don't think I don't know you  
I saw you going under  
Ah save you one for me 'Cause I'm all at sea lad  
And I don't know if you're coming or going  
But there's no thorn or stalk  
Or poison talk that belongs to me Now I only wanna...  
Now I only wanna...  
I don't want anything  
It means the world to me But I'm all at sea dad  
And I don't know if I'm coming or going  
Still no hope, no fear  
No rent arrears, leave it all to me And if you take it all away  
You'll have a pile of everything  
That you never wanted  
Oh it's just too bad  
Never wanted, so bad Where can I go  
Just to hear the songs I need  
I used to go to your room
