

Moonage Daydream

Danny Michel

Come on strong girl, lay the heavy trick on me
The church of man, love, is such a holy place to be
 Make me baby, make me know you really care
 Make me jump into the air
 Keep your 'lectric eye on me babe
 Put your ray gun to my head
 Press your space face close to mine, love
 Freak out in a moonage daydream, oh yeah!
 Alright ah
 Come on you?
 Far out
Keep your mouth shut but listen to the world inside
Keep your head on but open up your eyes real wide
Keep the change strong, let the things you torn aside

 You messing any road to high
 Keep your 'lectric eye on me babe
 Put your ray gun to my head
 Press your space face close to mine, love
 Freak out in a moonage daydream, oh yeah!
 Keep your 'lectric eye on me babe
 Put your ray gun to my head
 Press your space face close to mine, love
 Freak out in a moonage daydream, oh yeah!
 Take it out, take it out
 Oh, oh
 Ready
