

# He's Always There

Cece Winans

He's always there  
To brighten up your day  
Always there in every way  
When it's cold and dreary  
And your faith is growing weary  
You don't have to be afraid  
He's always there  
Just ask for what you need  
He'll be there if you believe  
Open up your heart  
Invite him to come in  
He'll turn your life around  
And change you from within  
Waiting to care  
He's always there  
Oooo~~~, oooo~~~  
He's always there to comfort and provide  
He's always there right by your side  
To help you face tomorrow  
Through all the joy and sorrow  
His love you can't deny  
He's always there  
Just ask for what you need  
He'll be there if you believe  
Open up your heart  
Invite him to come in and  
He'll turn your life around, hey  
Open up your heart  
Invite him to come in and  
He'll turn your life around  
And he'll change you from within  
Waiting to care  
He's always there
