

Reach

Idina Menzel

Slowly, softly
Please serenade me I'm here
Restless, reviving, river of life
You are here

[Chorus:]
Tell me you love me
Tell me you see me
Show me your laughter
Feed me
Tell me you love me
I'm the one you need
Raise your hand and
Reach for me

Silent, slumber, sweetheart
Your thunder is my thorn
Bathing, beauty, ballad of bliss
You were born

[Chorus]

Pretty, precious, prism in darkness
You make me proud
Fragile, fumbling, finally
A new day we have found

[Chorus]
