Sit and Stare

Adelphi

I'm tired
Of hoping and waiting and anticipating to see her there
I work out, the cure is to ask her if she'll clear up disaster
Sit and stareWhats the worst that you could do or say?
Another chance is gone, of mine awayI wonder
Will I always be that taken?
I never
Ask anything from anyone
Just another lonely kid,
Nothing to hold onto
Nothing to hold ontoYou've waited, its wasted, its hopeless, its too late, you fucked up, your chance is gone
You've waited, to take it, the risks were to high to explain, your chance is gone, gone, gonewhats the point when your future moves so fast?
now you'll regret this opportunity you could've haveI wonder
Will I always be that taken?
I never
Ask anything from anyone
Just another nameless band
With no hope to hold onto
Hold ontoLet's GoI wonder
Will I always be that taken?
I never
Ask anything from anyone
Just another lonely kid
With nothing to hold onto
Hold onto [x2]
