Bows & Arrows

PJ Harvey

I saw your face
Whiter the purity
Then I saw savages
Standing before meBows and arrows
Tipped with poison
Make tenderness please
Stand by my pillowI see evil
Everytime I dream
I see earth's poison
I hear violence sing
Even your touch
Once so pure
Comes fates cold hand
On my locked doorWon't you send those angels to watch over me?I can't catch the bow
That this planet has thrown
I can't catch this bow
On my own
In come the arrows
Like a needleYou pierce my heart
And I taste poison
You pierce my soul
With bows and arrowsWon't you send those angels to watch over me?
