

# Whistle Down The Wind

[Sarah Brightman](#)

Whistle down the wind  
Let your voices carry  
Drown out all the rain  
Light a patch of darkness  
Treacherous and scary  
Howl at the stars  
Whisper when you're sleepy  
I'll be there to hold you  
I'll be there to stop  
The chills and all the weeping  
Make it clear and strong  
So the whole night long  
Every signal that you send  
Until the very end  
I will not abandon you my precious friend  
So try and stand the tide  
Then you'll raise a banner  
Send a flare up in the sky  
Try to burn a torch  
And try to build a bonfire  
Every signal that you send  
Until the very end, I'm there  
So whistle down the wind  
For I have always been, right there  
Howl at the stars  
Whisper when you're sleepy  
I'll be there to hold you  
I'll be there to stop  
The chills and all the weeping  
Make it clear and strong  
So the whole night long  
Every signal that you send  
Until the very end  
I will not abandon you my precious friend  
So Whistle down the wind  
Let your voices carry  
Drown out all the rain  
Light a patch of darkness  
Treacherous and scary

Every signal that you send  
Until the very end, I'm there  
So whistle down the wind  
For I have always been, right there
