Freezepop

summer boy
summer boyi first saw you
at the barbecue
standing in the shade
drinking lemonadei'll never forget, when our eyes met
i'll never forget, our special sunsetsummer boy, the sun is hot
summer boy, and so are you
summer boy, yeah i like what you've got
summer boy, i wanna be with youwe went to the pool
to try and stay cool
SPF 15
it's the summer scenei'll never forget, when our eyes met
i'll never forget, our special sunsetsummer boy, the sun is hot
summer boy, and so are you
summer boy, yeah i like what you've got
summer boy, i wanna be with you
summer boy, the sun is hot
summer boy, and so are you
summer boy, yeah i like what you've got
summer boy, i wanna be with you
wanna be with youyou keep me cool
when the weather's warm
you keep me safe
in a thunderstormsummer boy, the sun is hot
summer boy, and so are you
summer boy, yeah i like what you've got
summer boy, i wanna be with you
summer boy, the sun is hot
summer boy, and so are you
summer boy, yeah i like what you've got
summer boy, i wanna be with you
i wanna be with you
summer boy, i wanna be with you
