Reggae Fever

Steel Pulse

A reggae music sends me in a fever
My blood pressure high
Yet I don't want no doctorA reggae music get me hot around the collar
My blood pressure high
Yet I don't want no doctorAh Ah
Reggae fever
It's the feeling I've been dreaming of
Great universal love
The only remedy that you can find
So skank away your troubles
Leave them behind
Reggae paradise is nice nice niceReggae big reggae little reggae tallawaA reggae music makes me cold till I wanna shiver
My liver quiver my blood pressure high
Yet I don't want no doctorA reggae music is driving me crazy
Charm a weeza charm a weeza
My blood pressure high
Yet I don't want no doctorAh Ah
Reggae fever
Chuckie reggae music.
