

# Troublemaker

## Weezer

Put me in a special school  
Cause I am such a fool  
And I dont need a single book  
To teach me how to readWho needs stupid books?  
They are for petty crooks  
And I will learn by studying  
The lesson in my dreamsSo turn off the TV  
Cause thats what others see  
And movies are as bad as  
Eating chocolate ice creamThey only sicken me  
Dont let me play football  
Ill sack the quarterback  
And jack the brother of the ballIm a troublemaker  
Never been a faker  
Doing things my own way  
And never giving upIm a troublemaker  
Not a double taker  
I dont have the patience  
To keep it on the upI picked up a guitar  
What does this signify?  
Im gonna play some heavy metal riffs  
And you will dieYou wanted arts and crafts  
Hows this for arts and crafts?  
Thats rightIm growing out my hair  
Im movin out to Cherokee  
Im gonna be a rock star  
And you will go to bed with meCause I cant work a job  
Like any other slob  
Punchin in and punchin out  
And suckin' up to BobMarrying a bitch  
Having 7 kids  
Giving up and growing old  
And hoping theres a GodIm a troublemaker  
Never been a faker  
Doing things my own way  
And never giving upIm a troublemaker  
Not a double taker  
I dont have the patience  
To keep it on the upIm gonna be a star

And people will crane necks  
To get a glimpse of me  
And see if I am having sex  
In studying my moves  
They try to understand  
Why I am so unlike the singers  
In the other bands  
Im such a mystery  
As anyone can see  
There isnt anybody else  
Exactly quite like me  
And when its party time  
Like 1999  
Ill party by myself  
Because Im such a special guy  
Im a troublemaker  
Never been a faker  
Doing things my own way  
And never giving up  
Im a troublemaker  
Not a double taker  
I dont have the patience  
To keep it on the up  
(Keep it on the up)  
Im a troublemaker  
(Keep it on the up)  
Im a troublemaker  
(Keep it on the up)  
Im a troublemaker  
Never giving up
