Morning Star

Amorphis

You live only for yourself
Or send your soul to the heaven's grace
Been weak as the autumn leavesOr strong as the growing seed
Swallowed into the black
Search for the entranceWhat's to the eyes of morning star?
Baden for the savior but it's much too far
Reach for the infinity
The only thing that remains is decayWhat's to the eyes of morning star?
Baden for the savior but it's much too far
Reach for the infinity
The only thing that remains
The only thing that remains
