

# Golden Birdies

## Captain Beefheart & His Magic Band

Those little golden birdies look at them  
And the mystic Egypt tossle dangling down  
Old sleeper-man shish, don't wake him  
Up one hand broom star was an obi-man  
revered throughout the bone-knob land  
His magic black purse slit creeped open,  
Let go flocks of them Shish sookie singabus  
Snored like a red merry-go-round horse  
And an acid gold bar swirled up and down,  
Up and down, in back of the singabus  
And the panataloon duck white goose neck quacked
