System Of A Down

Hey you, see me, pictures crazy
All the world I've seen before me passing by
I've got nothing, to gain, to lose
All the world I've seen before me passing by You don't care about how I feel
I don't feel it anymore
You don't care about how I feel
I don't feel it anymore You don't care about how I feel
I don't feel it anymore
You don't care about how I feel
I don't feel it anymore, anymore Hey you, are me, not so pretty
All the world I've seen before me passing by
Silent my voice, I've got no choice
All the world I've seen before me passing by You don't care about how I feel
I don't feel it anymore
You don't care about how I feel
I don't feel it anymore You don't care about how I feel
I don't feel it anymore
You don't care about how I feel
I don't feel it anymore I don't see, anymore
I don't hear, anymore
I don't speak, anymore
I don't feel Hey you, see me, pictures crazy
All the world I've seen before me passing by
I've got nothing, to gain, to lose
All the world I've seen before me passing by You don't care about how I feel
I don't feel it anymore
You don't care about how I feel
I don't feel it anymore You don't care about how I feel
I don't feel it anymore
You don't care about how I feel
I don't feel it anymore I don't sleep, anymore
I don't eat, anymore
I don't live, anymore
I don't feel
