Real

Refused

The real revolution starts within
Locked down and caged
Our lives directed
We can just ignore the real reasonsWe are just as much to blame as anyone else
Silent in apathy
We won't make a difference
How can we say that we are not a part of the problemThat's not true
Stereotype values and intoxication won't bring about change
There's a reason to reject
I feel it in my rangeA protest of insufficiency
A purpose to save and heal a balance
To recover the distorted picture
Words mean nothing
