

Upside Down

Jack Johnson

Who's to say what's impossible?
Well they forgot this world keeps spinning
And with each new day
I can feel a change in everything And as the surface breaks reflections fade
But in some ways they remain the same
And as my mind begins to spread its wings
There's no stopping curiosity I want to turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's songs
I don't want this feeling to go away Who's to say I can't do everything?
Well I can try, and as I roll along I begin to find
Things aren't always just what they seem I want to turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's song This world keeps spinning and there's no time to waste
Well it all keeps spinning, spinning Round and round and upside down
Who's to say what's impossible and can't be found?
I don't want this feeling to go away Please don't go away
Please don't go away
Please don't go away Is this how it's supposed to be?
Is this how it's supposed to be?
