James Dean

Eagles

James Dean, James Dean
I know just what you mean
James Dean, you said it all so clean
And I know my life would look all right
If I could see it on the silver screenYou were the low-down rebel if there ever was
Even if you had no cause
James Dean, you said it all so clean
And I know my life would look all right
If I could see it on the silver screenWe'll talk about a low-down bad refrigerator
You were just too cool for school
Sock hop, soda pop, basketball and auto shop
The only thing that got you off was breakin' all the rulesJames Dean, James Dean
So hungry and so lean
James Dean, you said it all so clean
And I know my life would look all right
If I could see it on the silver screenLittle James Dean up on the screen
Wonderin' who he might be
Along came a Spyder and picked up a rider
Took him down the road to eternityJames Dean, James Dean
You bought it sight unseen
James Dean, James Dean
You bought it sight unseenYou were too fast to live, too young to die, bye bye
You were too fast to live, too young to die, bye bye
Bye byeToo fast to live, too young to die, bye bye
Too fast to live, too young to die, bye bye
Too fast to live, too young to die, bye bye
Too fast to live, too young to dieToo fast to live, too young to die
Too fast to live, too young to die
(Bye bye bye)
Too fast to live, too young to die
(Oh James Dean)
Too fast to live, too young to die
Bye bye!
