

Smile Of A Jesus Freak

I Am Ghost

YEAH.Jesus Mother Mary won't approve
Of this fuck and now I hate you.
She's testing me, lies still beside the music
Sweet kerosene, I'm paralyzed,
This loaded gun to my head says,
"It's over..."Then she pulls the trigger.
I've dreamt of this before,
She licks the tears that run down my face.She said I'd be so pretty dead.
I'm feeling fully cheated as I'm lying in the back seat.
My eyes and lips are sewn;
It's love you'll never know.
The music keeps me breathing
As she's smiling in the back seat.(So sit around and watch me burn,
Watch me burn, motherfucker!)Jesus Mother Mary what should I do?
The booze and pills will heal
And love you.
I'm fast asleep, just kissed and killed a stranger.
Sweet Kerosene, I'm paralyzed (I'm paralyzed),
This loaded gun to my head says,
"It's over..."Then she pulls the trigger.
I've dreamt of this before,
She licks the tears that run down my face.She said I'd be so pretty dead
I'm feeling fully cheated as I'm lying in the back seat.
My eyes and lips are sewn;
It's love you'll never know.
The music keeps me breathing
As she's smiling in the back seat.(And all the king's horses, and all the King's men,
couldn't put her face back together AGAIN!)
There's something wrong inside this room, pretentious!So kiss the addict now,
She's got a gun and a lonely lonely picture.
She'll kill and laugh out loud, yeah!She said I'd be so pretty dead
I'm feeling fully cheated as I'm lying in the back seat.
My eyes and lips are sewn;
It's love you'll never know
The music keeps me breathing
As she's smiling in the back seat.She says I'm so pretty dead.
I'm feeling fully cheated as I'm lying in the back seat.
So dead, I'm so dead,
I'm feeling fully cheated

As she's smiling in the back seat.
