Dynamite (Take 4)

Cliff Richard & The Shadows

Well send me love in a package labelled dynamite
I wanna feel an explosion when I hold you tight
I got a powerhouse reception waiting for you
When you come back to your loving baby's arms again
Come back I'm dynamite
Come back I'm dynamiteWell give me kisses that explode before my very eyes
I know the sight of you could generate a million sighs
I'm all set for detonation baby don't you know
Three two one zero there I go
I'm dynamite
I'm dynamite set to explode
Come back I'm dynamite
Come back I'm dynamite
Sail across the stars and to a silvery moon
If you wanna know what heaven's like you'll be there soon
Come back I'm dynamite
Come back I'm dynamiteWell give me kisses that explode before my very eyes
I know the sight of you could generate a million sighs
I'm all set for detonation baby don't you know
Three two one zero there I go
Come back come back 'cos I'm dynamite to be with
Come back to your loving baby's arms again
Come back I'm dynamite
Come back I'm dynamite
Sail across the stars and to a silvery moon
If you wanna know what heaven's like you'll be there soon
Come back I'm a time bomb
Come back my fuse is lit
Come back I'm dynamite
Come back if you don't come back to me
Come back I'm going to self-destruct
Come back I'm dynamite
