

# Sweet

## Cigarettes After Sex

Watching the video that you sent me  
The one where you're showering with wet hair dripping  
You know that I'm obsessed with your body  
But it's the way you smile that does it for me  
It's so sweet, knowing that you love me  
Though we don't need to say it to each other, sweet  
Knowing that I love you  
And running my fingers through your hair  
It's so sweet  
Watching the video where you're lying  
In your red lingerie ten times nightly  
You know I think your skin's the perfect color  
But it's always your eyes that pull me under  
It's so sweet, knowing that you love me  
Though we don't need to say it to each other, sweet  
Knowing that I love you  
And running my fingers through your hair  
It's so sweet  
And I will gladly break it  
I will gladly break my heart for you  
And I will gladly break it  
I will gladly break my heart for you  
And I will gladly break it  
I will gladly break my heart for you  
And I will gladly break it  
I will gladly break my heart for you  
It's so sweet, knowing that you love me  
Though we don't need to say it to each other, sweet  
Knowing that I love you  
And running my fingers through your hair  
It's so sweet
