

The Endless Road - IN

Girish And The Chronicles

If there's a place
That I haven't seen
That's where I am headed to
And that's where I want to be

~
I will know when I see it
Waiting down the line
(And) when I'm there, without a care
I'll leave it all behind

~
END-LESS ROAD
It's where I belong
Endless Road
I'm busy living free

~
Yeah today I'm feeling lucky, yeah
There's freedom in the air
The song is on the radio
I'm gonna take my chance

~
END-LESS ROAD
It's where I belong
Endless Road
It's where I want to be
