

# Smooth Operator

~%o~·~·~Sade

Diamond life, lover boy  
He move in space with minimum waste and maximum joy  
City lights and business nights  
When you require streetcar desire for higher heights  
No place for beginners or sensitive hearts  
Sentiment is left to chance  
No place to be ending but somewhere to start  
No need to ask  
He's a smooth operator  
Smooth operator  
Smooth operator  
Smooth operator  
Coast to coast, L.A. to Chicago, Western male  
Across the North and South, to Key Largo, love for sale  
Face to face, each classic case  
We shadow box and double cross  
Yet need the chase  
A license to love, insurance to hold  
Melts all your memories and change into gold  
His eyes are like angels, his heart is cold  
No need to ask  
He's a smooth operator  
Smooth operator  
Smooth operator  
Smooth operator  
...
