Cursum Perficio

Cursum perficio.  
Verbum sapienti:  
Quo plus habent,  
Eo plus cupiunt.  
Post nubila, Phoebus  
Iternum

[Translation]

I am making an end to my course.

A word to the wise:  
The more (people) have  
The more they want.  
After the clouds, Phoebus  
Over and over again
