

The Girl Who Has Everything

Reba McEntire

I just got the wedding invitation
There's gonna be a celebration
 Like you've never seen
Just fit for a queenShe's got her mom and daddy's blessing
 She's got a long white wedding dress
 And his wedding ring
 Oh, what can I bring
What do you give the girl who has everythingShe's got the man who used to hold me
 She's got the man who told me I was his everything
 She's got the man who used to love me
Who placed no one above me, how he made my heart singOh, what can I bring
What do you give the girl who has everythingShe'll hear his promise of forever
 She'll hear him say what
 I could never get him to say
Oh, he'll say it todayShe'll hold his hand and throw the flowers
 Drink champagne till the morning hours
 The queen has her king
 And the world on a string
So what do you give the girl who has everythingShe's got the man who used to hold me
 She's got the man who told me I was his everything
 She's got the man who used to love me
Who placed no one above me, how he made my heart singOh, what can I bring
 Tell me, what do you give the girl who has everything
 What do you give the girl who has everything
